

REMARKS

Applicant hereby amends the Specification to recite the relationship of the instant application to previous applications. Applicant has also amended the Specification to include an abstract, on a separate sheet of paper after the claims. Support for this amendment is found on the cover page of the related International Application No. PCT/AU2004/000353, published as WO 2004/084102. In addition, Applicant has amended Claims 4, 8, 9, 15, 20, 24 and 25, and canceled Claims 28-30, in order to further the prosecution of the present application and Applicant's business interests. The amendments to the claims are supported by the original description and claims, and do not introduce new matter. Should the Examiner have any questions regarding this Preliminary Amendment, Applicant encourages the Examiner to call the undersigned collect.
